

Do you love tobacco and would you like to take the opportunity to pursue your further career in this area of expertise? Are you looking for a job in which you not only implement but also active participate?

If so, then we are looking for you (m/f/d) as

## Tobacco Expert Trainee

### located in Burg, Switzerland

We are a Swiss owner-managed company with a heritage in tobacco expertise since 1864. Our passion and dedication have made us a leading global manufacturer of cigarillos. With a long-term business perspective, we constantly strive to innovate and improve the quality of our products. Our goal is to build strong brands for premium cigarillos. To achieve this, we invest in the right people, brands and opportunities. More than 5,000 dedicated team members all over the world focus on a single mission: smiling consumers, loyal to our brands.

#### What we expect from you:

- Affinity and passion for tobacco
- Very good sensory skills
- Logical and entrepreneurial thinking
- Completed training and several years of professional experience (ideally in quality management/assurance)
- Willingness to travel frequently to tobacco growing areas
- Good knowledge of German and English
- **Willingness to undergo an extensive trainee program and to get to know tobacco from “seed to smoke” - especially primary production, purchasing, quality assurance from scratch (including direct hands-on practice work in the specific departments) as well as blending and product development**

#### What we offer you:

- An unique opportunity to be trained as a tobacco expert
- A long-term perspective in tobacco purchasing, quality assurance and product development
- Co-operation in an interdisciplinary and international team
